RE: 16-16147-KCF
Denise E. Gallemore
Objection to Proposed Settlement of Controversy

Dear Judge Ferguson:

Please accept this letter as an objection to the Notice of Proposed Compromise or Settlement of Controversy. The debtor has amended her schedules to allow for an exemption of personal injury proceeds.

The debtor's objection is limited to the request that the debtor's exemption for personal injury proceeds be used to recalculate the amount of the settlement due to the debtor.

I respectfully request the Court schedule a hearing on this matter.

Respectfully,

Avram D. White
